

Agenda 96/1/25

1.Experience sharing by key user

- 中國醫藥大學 中醫所 侯庭鏞 副教授10:00
- 中國醫藥大學 營養系 唐烽堯 助理教授 10:30

2.Introduction the optical imaging.....11:00

- Advantage of optical imaging
- Basic principle of optical imaging
- What is a good optical imaging system?
- Introduction of the IVIS 200
- Summary

3.Introduction the application of IVIS system..... 11:40 overview

4.Hand on training Group 1 (5 person).....13:30

5.Hand on training Group 2 (5 person).....14:30

6.Hand on training Group 3 (5 person).....15:30

Agenda 96/1/26

- 1. Introduction the optical imaging.....10:30**
 - Advantage of optical imaging**
 - Basic principle of optical imaging**
 - What is a good optical imaging system?**
 - Introduction of the IVIS 200**
 - Summary**

- 2. Introduction the application of IVIS system..... 11:00**
 - Caner Research**
 - Caner Therapy**
 - Pharmacology**
 - Neuroscience**
 - Infection disease**
 - Others**

- 3. Hand on training Group 4 (5 person).....13:30**

- 4. Hand on training Group 5 (5 person).....14:30**

- 5. Hand on training Group 6 (5 person).....15:30**
